

Fedeliano Nacucchi, Artist

Fedeliano Nacucchi (Italy) is a concept artist, experimenter and passionate of urban spaces. He works in different towns of Italy where his art conceives an interesting combination of artistic poetry with the territorial venues over all through the realization of murals on private and public walls. In October 2022 has been finalist in the National Biennale Marte Live in Rome in the "Street art" category and wins the National art contest "Rurart" (Rete Rurale Nazionale) organized by the Rete Rurale Nazionale and concerning the meeting and relationship between agriculture and technology. His works are visible on www.instagram.com/fnkey.art.
